

**REMARKS**

**In the Claims:**

Claims 13-16 remain in this application. Claims 1-12 and 17-20 have been canceled.

Claims 13-16 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-13 of U.S. Patent Application No. 10/748,383 (U.S. Pub. 2005/0139928).

Accordingly, a terminal disclaimer in compliance with 37 C.F.R. 1.321(c) has been filed to overcome the rejection.

A change of Power of Attorney has been submitted herewith, making the undersigned an attorney of record.

Respectfully submitted,

Date: July 14, 2006

/Michael D. Plimier/
